

SMALL LOT SERIES

VILLE DE JARDIN

"I'm so happy to return to this wonderful blend that we have created twice before and continue to name after "Garden City," the beloved home of our winery. As with all Small Lot Series wines this is where I allow myself and my winemaking team to explore different varieties and winemaking methods so that our skills don't get rusty and our minds and taste buds can explore! This stylishly dry blend is created from a base of Muscat Blanc, a favorite grape of mine for adding intense aromatics to a wine. Enjoy a walk through the Garden!"

—Melanie Krause, Winemaker

TASTING NOTES

Guava, lychee & papaya aromas and flavors greet you, that's why we are calling this one the "Fruit Loops" wine. With medium body and a long, crisp finish, you'll want to come back to this one again and again!

PAIRING SUGGESTIONS

Think pork dumplings with Hoisin sauce, duck confit or bahn mi.

WHEN TO DRINK

Enjoy now and often. No need to cellar!

VILLE DE JARDIN

THE VINTAGE

The 2018 vintage heralded the welcome return of vines that had been retrained after the winter-cold damage of 2017. Beautiful weather and a moderately sized crop made for ideal conditions for a high-quality vintage. A warmer than average summer with growing degree days over 3100 was followed by cool fall weather. September and October were dry and cool, allowing for slow, steady ripening of the grapes. White wines are vivacious, with lovely acidity to balance expressive aromas and flavors.

PRODUCTION NOTES

- Grapes are hand-picked in September, pressed whole-cluster.
- Fermented in 100% stainless steel tanks at very low temperatures for 2 weeks.
- Filtered and bottled in early January 2019 to ensure freshness.
